Times Table Rockstars

Well done to all those children who are regularly on Times Table Rockstars. It makes such a difference to everyone's general maths skills. This is especially important to the children in year 4 as they will be taking part in a times table test at the same time as all the other year 4 children across the country. We want them all to do well so keep practicing. We hope the rest the academy will be practising as much as year 4!

We are delighted to again be supporting the NSPCC by taking part in Number Day on **Friday 3 February 2023**.

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

We are having a fun day of maths activities and we will be trying to make a 'silver snake' longer than our playground! To help raise money for the NSPCC, we are asking for silver coin donations, and we would love everyone in the academy to take part in this special event.

We are really looking forward to all the fun of Number Day, and we really appreciate your support.

All the money we raise will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Attendance

It is good to see that our attendance has increased again this week. Our overall attendance for the week is 93.1%
Apollo class 96.5%
Crusaders class 98.5% had the best attendance.

Parents Evening

This term it will be virtual. Further information will follow.

Who Can I talk to?

If you would like to talk to a staff member about your child and anything to do with the academy, please do speak or Class Dojo your child's class teacher. You can always talk to the phase leader for your child's year group. They are Mrs Kennedy for years 1 and 2, Mrs Nightingale for years 3 and 4 and Mrs Matthews for years 5 and 6. Of course you can also speak to any Senior staff. This includes Ms Siequien, Miss Daniels, Mrs Freeman and Mrs Chapman.
