Well Done Year 6

We are so proud of our year 6 children this week. They have worked really hard all week putting 100% into everything they tackled. The SATs breakfast has gone down well and has certainly helped keep everyone's energy levels high. Thank you to all the staff who helped with the children's SAT's breakfast.

Lates

We are having several children coming into the academy through the front door in the mornings. This means the children must go into a class of children who have started working which can be upsetting for the children. Please support your child to be at the academy from the start of the day until the end. Your child is on time if they walk around onto the playground. Thank you for your continued support.

Attendance

The overall attendance this week is **94%**. Well done to **Carpathia** who achieved a fantastic **100%** followed by **Goliath** with **99.5%**

Kings Coronation Competitions

During our celebrations for the Kings Coronation on Friday all the children made crowns and donated them to the residents of the Cherry Blossom Care Home, so they had something to wear for their celebrations on bank holiday Monday. The residents have kindly chose winners from each year groups.

Some of the residents will be coming to the academy next week to announce the winners and present the children with their prizes.

We also ran our own crown competition. The winners for the academy will be announced to the children on Monday.

Another competition across the academy was to design a Coronation badge. The 2 winning designs will be made up into badges and all children will receive a badge with one of the winning designs on it which they can keep as a souvenir of the Coronation. We will announce winners of this competition next week.
