Well Done Year 6

Well, done year 6. You have worked incredibly hard this week during your SAT's. We are so proud of you all. You have been fantastic all week trying your best as you tackled each paper. You should be very proud of yourselves as we all are. Can I also say a great big thank you to the staff in year 6 for all their hard work and the team of people who have helped this week to ensure everything ran smoothly.

Attendance Matters!

This week the overall academy attendance was **95%**. A massive well done to **Thor** who achieved **100%**.

Please see the link below, with a list of our current Afterschool Clubs

Collecting from Afterschool clubs

We have a variety of clubs running at the academy which are very popular. Please can we remind parents that children need to be collected from their afterschool club promptly each week. Please see the link above for club finishing times. A register is kept of children collected late and if persistently late, these children may lose their place.

Reading 5x a week and Time tables Rockstars and Numbots.

We are so proud to announce that the number of children reading 5x a week and actively taking part in Numbots and TT Rockstars has increased. Well done everyone. Keep it up.
