New Astro and Trim Trail

It has been lovely to see the children enjoying their first full week on the new playground especially, when they play on the new Trim Trails. We are all so lucky to have such wonderful grounds which includes a MUGA, a Theatre and Music Stage and lots of climbing equipment. We certainly are keeping the children active!

We have great plans to develop the academy grounds over the next few months so the children have even more to actively do.

Attendance Matters!

This week the overall academy attendance was **96.6%**. Well done to **Zeus, Apollo** and **Raleigh** who all achieved **100%**

Smart Uniform and Manners

Our children are looking very smart with their academy uniform and smart PE coloured uniform. Please remember we do have the Nearly New Uniform for sale at the end of each day. It is based at the top of the Atrium steps where Miss Costa is happy to help you. Any donations you have for no longer needed uniform are welcomed, especially shirts as we can use them for the children to wear in their Art classes.

Can I just remind all Key Stage 2 children that you need to wear shirts with your ties rather than polo shirts. Wearing a tie with a polo tee -shirt is quite uncomfortable and it means the tie is not only correctly.

Getting used to wearing a shirt with a tie is also important in Key Stage 2 as it helps prepare the children for Secondary School Life. Thank you for your support with this

Lots of our children are very good at using their manners across the academy day. Our young new starters are also being encouraged to say please and thank you during the day, so they too meet our high behaviour expectations. Please encourage your children to use good manners as much as possible.

"News Flash" look out for some presentation dates for Year 6 parents to find out all about this years residential trip!

Earrings

All earrings worn should be studs. This is to keep the children safe when doing PE or playing at playtime. We do not want any child to damage their ears by getting a hoop earring caught.

Front of the Academy

The front of the academy is looking wonderful and while it appears to be complete, there are a few safety checks that need to be carried out before we can open it up to parents. We are hoping that the checks will be completed by the middle of next week.

Nut Free Academy

We are a nut free academy. We have several children who are allergic to nuts so please help us to keep them safe by not letting your child bring in any nuts as a snack or in their lunch box
