## Photographs

Its Photo Day on Wednesday!! All children in the academy can have their photograph taken by a professional photographer. The photographer will take individual, and sibling photographs however, we are unable to include preschool children. The photos will be available for you to purchase in a few weeks' time, making great Christmas presents!

We are delighted to show off our new academy football team kit. Insurewise, a local company have very generously sponsored our team kit

The children and their team coach Mr. Diehm are very excited about playing in their first league match later this month.

## Embracing the Cooler Weather

The children are outside at playtimes and lunchtimes each day, enjoying our new outdoor play areas. With the weather cooling down and to keep children warm and well, please can you make sure they have a warm coat with them every day. Thank you.

## Parents Evenings

Communication has been sent out to all parents inviting you to book appointments to meet with your child's / children's class teacher. Please book an appointment so you can talk to the teacher about how your child is getting on and what else we can do together to help your child enjoy learning and to make lots of progress.

If you have any problems with booking an appointment, then please speak to the office team who would be happy to help.

## Parking

Thank you to everyone who has used the Queen Katharine parking area this week. If you do use this, please can we ask that the first person in goes right around the semi-circle to the far end and then everyone parks behind each other, without leaving too much space. This means that we will not have gaps, and we can maximise the space available to us.
