Friday 6th June 2025

Dear Parent/Carer,

We hope that you all had a lovely half term!

Sports Day - Well done to all the children in Year 1 and 2 as well as those in Year 5 and 6 who took part in the races on Sports Day. Thank you to Mrs Torrens, Miss Hovell and Mr Diehm for organising the event, the site team for getting the grounds looking lovely and thank you to all the parents, friends and family who attended to support the event and cheer the children on.

Our Foundation Stage Sports Afternoon is on Thursday 12th June. Gates will open at 1.30 ready for a 1.45 start.

Our Year 3 and 4 Sports Afternoon has been moved to Monday 23rd June. Gates will open at 1.30 ready for a 1.45 start.

Art, Science and Design Technology

The children have been taking part in all sorts of creative activities this week – year group projects have included making scones, making ‘don’t buzz the wire’ games, composing pictures with positive and negative space and dissecting flowers! Talk to your child to find out what they have been up to in their class this week.

Congratulations - Miss Daniels got married over half term and will now be know and Mrs Matusiak (pronounced Mar-too-shak).

Next Week - Looking forwards to next week, Year 1 will be taking part in the Phonics Screening Check and Year 4 will be taking part in the Multiplication Table Check. Year 6 will be working with Xidus Pain, a rap artist, which sounds fantastic! The children will be writing their own raps and even recording their own track! The raps will be used as part of their Leavers Assembly. Thank you to Mrs Barnes for organising this.

Eid al-Adha - Eid Mubarak to every who is celebrating Eid al-Adha!

Hot Meals – The cost of hot meals will increase from 1st September 2025 to £2.70 per meal. Discovery have tried to keep the cost of meals to a minimum for parents for as long as possible however, we now must pass the increase on due to the rising costs for produce, staffing and resources.

Exciting Author Visit with Guy Bass

We are thrilled to announce a very special event happening at our school on **Thursday, 19th June** – a visit from the award-winning children's author **Guy Bass**! Even more exciting, Guy is originally from our very own city, making this visit a real hometown celebration of reading, creativity, and storytelling.

Guy Bass is the brilliant mind behind a number of much-loved children's books, including the **Skeleton Keys**, **Stitch Head**, and the **Hugh Dunnit Mystery** series. His stories are packed with humour, heart, and just the right amount of spooky adventure – perfect for curious and imaginative readers in Key Stage 2.

During his visit, Guy will be speaking to our Key Stage 2 pupils about his books, his characters, and the inspiration behind his writing. It's a fantastic opportunity for children to meet a real-life writer and get an inside look at the world of publishing. We hope this visit will inspire our pupils not only to read more but to write their own stories and explore their creativity.

We can't wait to welcome Guy Bass and hear all about his adventures in writing!

**NATIONAL SCHOOL
SPORTS WEEK 2025**
16-22 JUNE

always active

National School Sports Week is back – and this year, it's bigger than ever! 🎉 Powered by **Sports Direct x Under Armour**, this special edition marks the **30th anniversary of the Youth Sport Trust**. To encourage our children to have an **Always Active** lifestyle, we will be taking part and aiming to reach our target of being active for 60 minutes each day. At school the children have a minimum of 45 minutes of active playtime in addition to PE lessons. Please share the ways you and your children have been active out of school. To finish the week, on Friday 20th June, children and adults can come to school dressed up at their sporting hero.

Could you inspire the next generation of cyclists?

We are searching for Cycle Instructors to join our expanding Bikeability team.

We are looking for confident communicators to deliver fun and inspirational cycle training in schools.
