Aspire Discover Achieve

Friday 4th July 2025

Dear Parent/Carer,

It was a very warm start to the week but thankfully it was much cooler in time for the Year 3 and Year 4 Sports Afternoon yesterday!

Mrs Turner will be taking up a new and exciting role at Fulbridge Academy from September and will be leaving Discovery at the end of the summer term. Miss Hart will be taking over the position of Front of House Admissions Officer and will be working in the office alongside Mrs Turner from Monday. We would like to welcome Miss Hart to the office team, and we know you will support her in her new role.

Outdoor Adventures On Friday of last week, Year 6 visited the Forest Facility in Stamford. They took part in all sorts of activities including archery, axe throwing and laser tag. As well as conquering an assault course, the children fearlessly took 'the leap of faith' on the ziplines! Well done Year 6!

Jump Up Day On Wednesday, our new Foundation Stage children visited Discovery for a 'Stay and Play' session with their parents. Our Year 6 children visited their new secondary schools, and all the other year groups spent the morning getting to know their new teacher and class.

Sports Afternoon Year 3 and 4 took part in their Sports Afternoon on Thursday. They took part in a range of races from skipping to obstacle to the 'egg and spoon'. Thank you to all the friends and family who attended to cheer the children on. Thank you to Mrs Torrens, Mrs Hovell and Mr Diehm for organising and running the event and a special thank you to the Year 5 Play Leaders for helping too!

Ice Lolly Sale Thank you to Mrs Mugerwa for organising the ice lolly sale this week and last week and to everyone who helped on the stalls too. The sales have raised a marvellous £145 to help fund exciting opportunities for the children, across the curriculum!

Barbara Throws a Wobbler On Tuesday, Year 2 visited St Mary's church to take part in a performance of Barbara throws a wobbler with the Britten Sinfonia. The children have thoroughly enjoyed the rehearsals, and they had a wonderful time performing too.

Year 2 Join Forces with Britten Sinfonia for the Big Feelings Project

Over the past few weeks, the children in Year 2 have had the exciting opportunity to work with musicians from Britten Sinfonia as part of a new initiative called the Big Feelings Project. This creative project gave our pupils the chance to explore emotions through music, using their own ideas to write and perform an original song.

As part of the process, the children not only sang but also played percussion, adding rhythm and energy to their performance. It was a wonderful way for them to express themselves musically while developing their teamwork and listening skills.

A big thank you goes to the Year 2 teaching team for all their hard work in making this project such a success, and to the parents who were able to come and support the children's final performance. We are incredibly proud of what the children have achieved — well done, Year 2!

Attendance Matters!

This week the overall academy attendance was **93.58%**. Well done to **Apollo** who achieved the highest at **100%**!
